RE: **CIRCULAR 1: MATRIC REWRITE /**
OMSENSDKRYWE 1: Matriek Herskryf

You have shown an interest to rewrite one or more subjects next year. We have been approved to be a rewrite centre in 2017 by The South African Comprehensive Assessment Institute (SACAI). SACAI is the body providing the examinations and after upgrading your results we will assist you to go to Umalusi to upgrade your current Umalusi certificate.

Jy het belangstelling getoon om een of meer van jou vakke volgende jaar te herhaal. Ons sentrum is goedgekeur as 'n herskryf sentrum vir 2017 deur Die Komprehensiewe Assesserings Instituut (SACAI). SACAI is die liggaam wat die eksamens voorsien en akkrediteer en nadat jy jou punte verbeter het sal ons jou bystaan om na Umalusi te gaan om jou huidige Umalusi sertifikaat te verander.

1. Rules of access

- To apply a candidate must have written matric between 2010-2016.
- Candidates who wrote matric **prior to 2016** must provide a Matric Certificate on registration (a Statement of Results will NOT be accepted);
- Applicants with Matric (2010-2015) may apply from the 15th of October 2016 and will be notified of their acceptance by the 15th of November 2016.
- Candidates currently in matric (**2016**) must provide a Statement of Results on registration;
- Candidates can only repeat a **maximum of three subjects** with Akad Plus and the other subjects must average 50% (level 4);
- Candidates can only upgrade Mathematics Literacy to Mathematics with a Mathematics Literacy mark of 65% and above;
- Candidates who want to do a subject such as Physical Sciences or Life Sciences (Grade 10-12) must know that this will require very hard work and dedication to cover three years' content in one year;
- Current matric learners (2016) can apply in 2016 but no placement will be done until the 6th of January 2017. Statement of Results will be needed to apply in 2016.
- All applications will close on Monday the 9th of January 2017 – please note that limited space is available.
- Successful candidates will be notified by Friday, 13 January 2017.

Toelatingsvereistes
